WHO ARE THE GOOD TROUBLE ALLIANCE?

We are a local, **independent**,
grassroots, pro-democracy
organization. We take inspiration from
nonviolent movements such as:

No Kings

Otpor

American Civil
Rights Movement

WHERE DOES OUR NAME COME FROM?

We take our name
from Congressman
and civil rights leader
John Lewis, who said:

*“Never, ever be
afraid to make
some noise and get
in good trouble,
necessary trouble.”*

WHAT DO WE DO?

We meet regularly to:

- Integrate civic engagement and democratic civic norms into local culture through service to the community, outreach, and advocacy.
- Study effective nonviolent resistance theory.
- Speak up for democracy and human rights at local civic forums.
- Plan actions that actually matter.

Vision of Tomorrow

The Good Trouble Alliance wants the US to be **promoted from a “flawed democracy” to a “full democracy”** as per the standards established by the EIU’s annual report card on Democracy, including high scores in the following areas:

- Electoral Process and Pluralism
- Functioning of government
- Political Participation
- Political Culture
- Civil Liberties

We strive to live up to the ideals of civil resistance as we **peacefully fight authoritarianism and human rights abuses in America**. We aim to be the spark that ignites a revolution of freedom and human decency.

WHAT DO WE BELIEVE?

- **Democracy is the foundation of freedom, human rights, and progress.** We must fight to protect it.
- **Strategic nonviolence** is not passive it’s active. It is a form of unconventional warfare and is the most effective means to create change.
- Institutions that enable **authoritarianism must be opposed.**
- We don’t wait for politicians to save us.
- **Ordinary people** can build power and create change — starting right here.
